

§§ 20.801—20.899 [Reserved]

Subpart J—Action by the Board

§ 20.900 Rule 900. Order of consideration of appeals.

(a) *Docketing of appeals.* Applications for review on appeal are docketed in the order in which they are received. Cases returned to the Board following action pursuant to a remand assume their original places on the docket.

(b) *Appeals considered in docket order.* Appeals are considered in the order in which they are entered on the docket, except as provided in paragraphs (c) and (d).

(c) *Advancement on the docket.* A case may be advanced on the docket if it involves an interpretation of law of general application affecting other claims or for other good cause. Examples of such good cause include terminal illness, extreme hardship which might be relieved in whole or in part if the benefits sought on appeal were granted, administrative error which results in significant delay in docketing the appeal, etc. Advancement on the docket may be requested by motion of the Chairman, the Vice Chairman, the appellant, or the appellant's representative. Such motions must be in writing and must identify the law of general application affecting other claims or other good cause involved. They must also include the name of the veteran, the name of the appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf), and the applicable Department of Veterans Affairs file number. The motion must be filed with: Director, Administrative Service (O14), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. Where a motion is received prior to the assignment of the case to an individual member or panel of members, the ruling on the motion will be by the Vice Chairman, who may delegate such authority to a Deputy Vice Chairman. If a motion to advance a case on the docket is denied, the appellant and his or her representative will be immediately notified. If the motion to advance a case on the docket is granted, that fact will be noted in the Board's decision when rendered.

(d) *Consideration of appeals remanded by the United States Court of Veterans Appeals.* A case remanded by the United States Court of Veterans Appeals for additional development or other appropriate action will be treated expeditiously by the Board without regard to its place on the Board's docket.

§ 20.902 Rule 902. Filing of requests for the procurement of opinions.

The appellant or representative may request that the Board obtain an opinion under Rule 901 (§ 20.901 of this part). The request must be in writing. When the opinion is received by the Board, a copy of the opinion will be furnished to the appellant’s representative or, subject to the limitations provided in 38 U.S.C. 5701(b)(1), to the appellant if there is no representative. A period of 60 days from the date of mailing of a copy of the opinion will be allowed for response. The date of mailing will be presumed to be the same as the date of the letter or memorandum which accompanies the copy of the opinion for purposes of determining whether a response was timely filed.

§ 20.904 Rule 904. Vacating a decision.

An appellate decision may be vacated by the Board of Veterans’ Appeals at any time upon request of the appellant or his or her representative, or on the

Board’s own motion, on the following grounds:

(a) *Denial of due process.* Examples of circumstances in which denial of due process of law will be conceded are:

(1) When the appellant was denied his or her right to representation through action or inaction by Department of Veterans Affairs or Board of Veterans’ Appeals personnel,

(2) When a Statement of the Case or required Supplemental Statement of the Case was not provided, and

(3) When there was a prejudicial failure to afford the appellant a personal hearing. (Where there was a failure to honor a request for a hearing and a hearing is subsequently scheduled, but the appellant fails to appear, the decision will not be vacated.)

(b) *Allowance of benefits based on false or fraudulent evidence.* Where it is determined on reconsideration that an allowance of benefits by the Board has been materially influenced by false or fraudulent evidence submitted by or on behalf of the appellant, the prior decision will be vacated only with respect to the issue or issues to which, within the judgment of the Board, the false or fraudulent evidence was material.
